

## NEW PLAYER ONBOARDING – THE FALLEN GUILD

---

### SPONSORSHIP & PROMOTION TO KNIGHT

As a **Squire**, it is your responsibility to seek out a sponsor if you wish to be promoted to **Knight**. This process begins with building relationships within the guild.

- **Engage Actively:** Spend time socializing with fellow guild members. Join voice or text channels, participate in discussions, and make your presence known—especially on Discord.
  - **Group Up:** Grouping with guildmates is required for promotion. Take every opportunity to join parties, demonstrate your class skills, and show how you handle teamwork and challenging scenarios.
  - **Be Patient:** Promotion is based on experience and reputation. The more you engage and contribute, the more likely a Knight will sponsor your advancement.
  - **Attend Events:** Participation in guild events is a great way to build rapport and increase visibility among members.
- 

### GUILD LOOT POLICY

#### Non-Sanctioned Events (Casual Grouping):

- Loot distribution is left to the discretion of the group. The guild does not enforce any loot rules in these cases.

#### Guild-Sanctioned Events (Raids & Major Activities):

- Loot is distributed **at the end of the event**, except for **NO DROP** items.
- **Priority for Loot Rolls:**
  1. Full members ranked **Knight or higher** have first priority.
  2. If no Knights roll, **Squires** may then roll.
  3. If no Squires roll, loot becomes an **open greed roll** for all ranks.
- **Roll Limitations:**
  - You may win **1 NEED** and **1 GREED** roll **per event**.

- All rolls must be made in the #raid-loot-roll channel using the /roll 100 command.
  - Only roll **when instructed by an officer**.
  - **Do not loot items** until it is confirmed you have won.
  - **Main Character Only:** NEED rolls are reserved for your **designated main character**. If you wish to roll for an alt, you must use a GREED roll or change your main through the proper process.
- 

## **ACTIVITY CHECKS**

A monthly activity check is required to maintain good standing within the guild.

- Conducted in the #activity-checks channel at the end of each month.
  - Simply select the class of your **main character** to complete the check.
  - Please complete this check within a day or two of it being posted.
- 

## **EVENT SIGN-UPS**

Guild events are held **Friday and Saturday at 9 PM Eastern** and posted in the #sign-ups channel.

- Sign up by selecting your **main character's class**.
  - Use the **TENTATIVE** or **LATE** options if you're unsure or arriving after the start time.
  - Each event requires a new sign-up—don't miss it!
  - Be fully prepared **before** the event:
    - Know the event location and how to get there.
    - Bring all required items (e.g., runes).
    - Reach out to an officer ahead of time if you have questions or need assistance.
- 

## **GUILD EVENT EXPECTATIONS**

Regular participation in guild events is expected of all members.

- Promotion from **Knight to Champion** requires consistent attendance and active participation.

- Attendance is taken at both the **start and end** of events. Late arrivals or early departures will affect your record.
  - Follow the **raid leader's instructions** at all times. Use voice communication only when necessary and relevant to the event.
  - Play your role responsibly:
    - **Support roles** should maintain buffs and heals.
    - **Debuffers and DPS** must follow assigned targets, especially those marked by the main assist.
- 

## REPRESENTING THE GUILD

All members are expected to represent **The Fallen** with integrity and respect.

- Treat both guildmates and other players with courtesy and respect.
  - Do **not** attempt to take over occupied camps or engage in disruptive behavior.
  - If conflicts arise (e.g., kill-stealing, training), try to resolve them calmly. Contact an officer if needed.
  - While competition over camps is permitted by game policy, **griefing and training are not**. We will not tolerate bullying but always aim to de-escalate situations when possible.
  - While we will abide by the above rules, other guilds and groups may not. Should the need arise for us to respond to such behavior with ensuring that our guild is not bullied, escalate to an officer in order to call down the Wrath of the Fallen on the bullying users
- 

Welcome to **The Fallen**. Your journey with us is what you make of it—be active, be respectful, and rise through the ranks with honor.
